CHARACTER APPEARANCE

NAME

ALLIES & ORGANIZATIONS

A young elf from Feywild, Aubron had just chosen his adult name when a foreign army attacked his commune and forced the elves to scatter. Surrounded and desperate to be free, he readily accepted the offer made by a shadowy entity that had emerged out of his blade. The entity guided him through a portal to the material plane. Now he's trying to find his way back to his home and community, and to understand the bargain that he's made to survive.
Aubron has now been in Faerun for almost 10 years, being somewhat acclimated to this plane and its people. He's charmed his way into the halls of power hoping to find people with the power and knowledge to open a way back.
